Treasurer Needed

Are you good with budgets? Would you consider volunteering on the PTO?

A shadow is needed to learn the accounting system this year for future position. Contact Paula at ShaulPTOmoney@gmail.com.

New PTO Inclusion Officer - Jessica Treichler

Jessica Treichler is the newly added PTO Inclusion Officer who will assist with accommodations for our special needs children to enjoy social events with their peers. For example, at the Fall Dance, the first hour had a reasonable noise level and eliminated strobe lights so students who struggle with sensory overload can participate. Another example is the Buddy Program returning to school, increasing Autism awareness & other disabilities amongst students at Shaull, especially during the month of April.

Parents can share their child's needs and ideas to Jessica at shaullptoinclusion@gmail.com.

Please spread the word and don't hesitate to reach out!
