Annual Logan's Run & Walk for Autism Mark Your Calendars!

Join Shaull Elementary as we attend the Annual Logan's Run and Walk for Autism on
Saturday, April 25, 2020 on City Island in Harrisburg.

Every dollar raised by this event will go directly to help children, teens, and adults living with autism in Central Pennsylvania, as well as their families and those who support them. Funds raised provide educational, social, and recreational opportunities for the local autism community.

This event has two options for participation - There is a 5K run and a Family Walk.

**Once registration is open, more information will come home on how to register.
Mark your calendars now!**

To help Team Shaull raise funds for this important cause, there will be fundraisers in the months leading to the event. We hope to see you there!

Upcoming Fundraisers: Chili's (February), Monkey Joe's (February), T-Shirt Sales (March)
